About CSS

JENNIE PETERSON
Chief Executive Officer/Owner

CHAD PETERSON, RCDD®
President

MARK YONEKAWA
Vice President, Field Operations

CSS offers low-voltage business communications and technology solutions for all sizes of businesses as well as commercial, educational, medical/health care and other organizations. Every project, regardless of size, will be given the same devotion to detail.

At CSS, we foster and cultivate an atmosphere where teamwork and innovation are encouraged. Our leadership and employees work together toward a common vision that includes maintaining the highest standards, looking after the smallest detail, and going the extra mile to achieve a level of quality that exceeds all expectations. Give us a call: Let us design and implement a solution best suited to meet your organization's needs. Whether you are looking to expand, upgrade, or relocate existing, or install new, CSS is the Trusted Advisor you have been looking for.

Certifications

- Corporate member of BICSI®, Inc.
- Minneapolis Building Owners and Managers Association (BOMA) member.
- Woman-Owned Business (certified by the State of Minnesota)

- Wide range of system and installation certifications (e.g., Corning® Cable Systems TS LAN Design 500, Berk-Tek, Leviton®, and others too numerous to list).

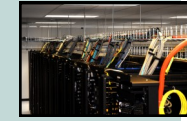

Premier Manufacturers

Partnerships with premier manufacturers enable us to install the highest quality products with manufacturer support backing them up. Our manufacturer partners include:

NETGEAR®

“We Install Quality”

Mission Statement: It is our goal to provide the highest quality solutions and service to meet each customer's unique needs. Our objective is to partner with our customers, understand their desires, and develop a long-term relationship where their first call is to CSS.

At CSS, we foster an atmosphere where teamwork and innovation are encouraged. Our leadership and employees work together toward a common vision that includes maintaining the highest standards, looking after the smallest detail, and going the extra mile to achieve a level of quality that exceeds all expectations.

“We Install Quality” is not just our motto, it is our commitment to provide you with unsurpassed quality in all we do.

- Installed cable is TIA/EIA-compliant.
- Award-winning contractor, recognized for exceptional service.
- Superior products and workmanship at competitive rates.
- When time counts and quality matters, call on us—we do it right the first time, every time.
